EXPECT DELAYS ON STATE ROUTE 33 IN KINGS COUNTY

WHAT: ASPHALT CONCRETE OVERLAY OPERATIONS NEXT WEEK AS PART OF PAVEMENT REHABILITATION PROJECT ON STATE ROUTE 33

WHEN: NEXT WEEK CONSTRUCTION CONTINUES MONDAY-FRIDAY 6:00 A.M. UNTIL 6:00 P.M. (NO WORK DURING HOLIDAYS/WEEKENDS)

WHERE: KINGS COUNTY; ON STATE ROUTE 33 FROM UTICA AVENUE TO THE KINGS/FRESNO COUNTY LINE.

The California Department of Transportation (Caltrans) announces that ***W. Jaxon Baker, Inc.*** continues construction along 2 ½ miles on State Route 33 in Kings County. Portable Changeable Message Signage (PCMS) are in place during construction to notify motorists of this improvement project.

Next week, Monday-Friday, lane closures will occur and traffic delays are expected to be approximately 10 minutes. Construction will continue during daytime hours from 6:00 a.m. until 6:00 p.m. in order to safely complete this project. As part of this project, a Pilot car and flaggers will be utilized in order to safely initiate this project during one-way reversing control lane closure operations.

Motorists should allow additional time for their commute or use an alternate route whenever possible as delays within this area are anticipated. (Current schedule subject to change due to unforeseen contractor operations.)

Caltrans would like to thank the businesses, residents and commuters for their patience during this improvement project. The public is asked to drive with extra care while traveling through this construction project and reminds motorists to please **"Slow for the Cone Zone"** at all times. Questions regarding this project can be directed to the Caltrans District 6 Public Information Office at the number listed above.
